

Church Engagement Project

WEAVE IN PRAYER

Explore the places and ways you are already coming together, and *incorporate* prayer for countries from the OW calendar into the existing weekly life of the church

Give opportunity for every part of the church family to pray regularly for the nations. From youngest to oldest, leaders to laity, and homebound to regular attendees

HOLD AN EVENT

Put on at least one *special event* focused on prayer for the nations

KEEP IN TOUCH

Connect regularly with the OW team, as well as join a quarterly group call with other participating churches

COVER THE WORLD

By God's grace, pray through *the whole world* in one year!

Research that inspires prayer, prayer that inspires action
